Singing Together

I Love to Tell the Story

For your first time at Fellowship...

Please complete a Communication Card and place it in the offering basket. For prayer requests or more information on activities and ministries, fill out the back of the card.

Your Small Children are invited to our excellent nursery care and children's church program. Infants through 2-year old children are invited to our newly remodeled children's department before the service begins. Children ages 3 through Kindergarten will begin the service in the sanctuary and be dismissed to children's church before the message begins. Your child will be welcomed, happy, and safe with our warm and nurturing volunteers.
