

Dear Fellowship Family,

I have some exciting news to share! Starting February 20th, I will begin a new full-time ministry position in Denver, CO. I will be working with Open Door Ministries, serving as the Assistant Director of Treasure House. Open Door Ministries is an outreach ministry of Open Door Fellowship, an urban church in downtown Denver. Treasure House is one of three women's houses, providing a six month to two year discipleship home for women coming out of addiction, abuse, sex trafficking, or other crisis situations. More specifically, Treasure House is for single mothers who are pregnant, have children under the age of 5, or are attempting to regain custody of their children. Along with the director, I will be walking alongside these women, providing structure, accountability, and a solid biblical foundation as they rebuild their lives.

This is certainly an exciting challenge ahead of me! I will be living in the house with the women, sharing and modeling life. I will continue to trust the Lord for the financial support necessary to serve. I know that I will learn a lot, and I know that I will be stretched. But I am confident that God is going to do great things, and I look forward to sharing the adventure with you.

I cannot thank you enough for your continued support. As I seek to serve the Lord however He leads, it is encouraging and humbling to know that He has provided such an incredible family to stand alongside me. I am thankful for the time I've been able to enjoy in Racine, and I'll definitely miss seeing you on a regular basis. I will continue to share what God is doing through my newsletters, and if you are interested in learning more about the ministry, please don't hesitate to contact me!

Gratefully His,
Caitie Lawrence
